Reminder: Each GRACE family is free to make their own choice regarding masks. Some staff and families may choose to wear masks. We ask that all families show mutual respect for each other's choices even when they differ from our own. We will not tolerate disrespect or bullying regarding these decisions but ask for Christ-like love to be shown to all families and staff as should be under all circumstances. We encourage an open dialogue with one another, sharing concerns and positive feedback, as we move forward in fellowship and community with one another.
